Rascals... With a Difference

You loved the gala dinner and dance, with no need to drive to your hotel, the after parties, the hot tub, and (as ever) the stimulating lectures, workshops and chats with your far-flung colleagues who come every year from near and far for the RASCALS colloquium.

On behalf of the St. Jérôme committee, we would like to thank the organizers and participants of Rascals 2009.

The Language Department at Cégep St. Jérôme wants to continue the tradition and live up to the high standards of previous Rascals conferences. This year, the host committee, having accepted to organize RASCALS with the expert help of SPEAQ, welcomes you to participate in Rascals 2010. The theme of this year's conference is **Rascals...With a Difference**. We wish to look at differentiation, and we want to be different. We invite participants to share their teaching ideas and their teaching experience. **WE NEED YOU**.

This year's colloquium will take place May 27 and 28, at the idyllic Manoir St. Sauveur, in the beautiful Laurentians. We will begin with a lunch on Thursday and end as usual Friday afternoon after lunch.

Cost

Like last year, there will be an all-included fee for the conference, your room, the Thursday evening cocktail, the meals - lunch and dinner Thursday, breakfast and lunch Friday - health breaks, outdoor parking and access to hotel facilities. This package will cost the same as last year, \$330.26 (tax included) based on double occupancy or \$399.79 (tax included) based on single occupancy.

Call for Papers

We invite participants to contribute to the conference. The Call for Papers is open for submission until April 16, 2010.

Registration

Registration begins soon. Space is limited, so please register early. Further details can be found on the SPEAQ website, under the "Events" tab for RASCALS. www.speaq.qc.ca
